Applicant/Agent Signature

The City of Quincy will provide the water meter setter once the permit and bond are in place, and will perform the actual water main tap at the request of the contractor/owner with 48 hours prior notice. All inspections must be signed off and the installation approved before the water meter will be set by the City. Please provide the permit number and name on the permit when calling for an inspection.

City Clerk's Stamp – Fee Paid

Receipt number:

**City of Quincy
